# MX8 the lightest...

## Powerful Processor

PXA270, 520MHz

## On-board Memory

On-board 128MB RAM &  
128MB Flash

## Advanced OS

Windows CE 5.0  
Professional

## Remote Management

Wavelink Avalanche plus  
eXpress Config

## Flash Expansion

Mini-SD card up to 1GB

## Broad Range of Scanners and Imager

Standard Range Scanner  
1D & 2D imagers

## Brilliant, 2.8in, QVGA LCD with touch-screen

## Backlit Eyes-Free Keypad™

Color-coded, 32-key  
numeric-alpha  
keypad with backlit keys

## ToughTalk™ Technology

Headset connector with 4 wire  
to improve performance in  
voice recognition applications

## Powerful Processor

PXA320, 800MHz  
Real time clock

## On-board Memory

On-board 256MB RAM  
256MB Flash

## Flash Expansion

SD card up to 4GB

## Advanced OS

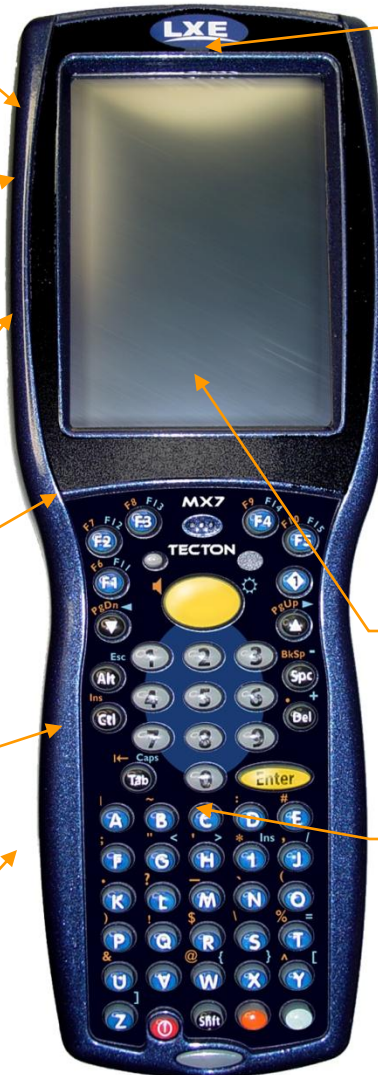

Windows CE 6.0  
Windows Mobile 6.5

## Remote Management

Wavelink Avalanche plus  
eXpress Config

## Operating Temperature

Standard: -20C to 50C  
Cold Storage: -30C to 50C

## Broad Range of Scanners and Imager

Lorax  
Standard range Laser  
Base Laser  
2D Imager, with image capture

## Radios

802.11a/b/g  
Bluetooth 2.0 +EDR

## Bright, indoor Display

280NIT  
3.5in/9.0cm

## Backlit Keypad™

Color-coded, 55-key & 32-key with backlit keys  
Fully mappable

**Powerful Processor**  
PXA320, 800MHz  
Real time clock

**Operating Temperature**  
Standard: -20C to 50C  
Cold Storage: -30C to 50C

**Flash Expansion**  
SD card up to 4GB

**Removable handle option**

**Interfaces**  
Speaker and microphone  
USB 1.1 host and client  
Powered RS-232 for scanners and printers  
Ethernet

**IP67 sealing**

**6 feet/1.8m drop to concrete**  
Rubber overmold

**Radios**  
802.11b/g and a/b/g  
Bluetooth 2.0 +EDR  
GSM/GPRS/EDGE WWAN  
GPS receiver (5m resolution with SBAS/WAAS)

**Outdoor Display**  
3.7in/9.4cm  
Transflective

# VX8 & VX9

**IP65**  
**Pantalla de 10,4"**  
**-30c° hasta + 60c°**

**60GB automotive hard drive**  
**4 – 8Gb Flash disk**  
**16 Gb Solid State**

- » **Intel Atom 1.6GHz**
- » **Intel Core 2 Duo 1.5GHz**

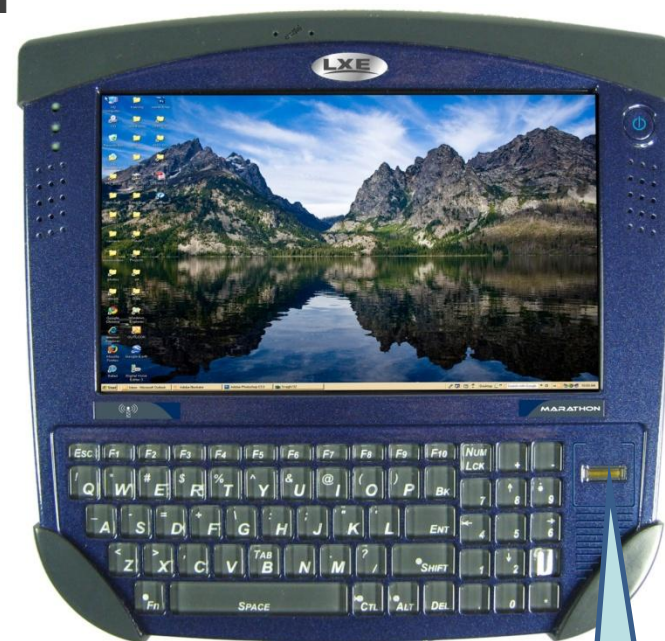

## Internal Slots

- 2 Mini-PCI
- 1 USB 2.0
- 1 PC Card

**IP 54**  
**Pantalla de 12.1"**  
**-30c° hasta +60°c**

- **1.6GHz Atom Processor 802.11a/b/g/n and BT**
- Windows **XP Pro**, Windows 7 Pro, Windows Embedded Standard (WES) OSs
  - **GSM 3.75G** (ATT) and CDMA EV-DO (Verizon) in a single module
  - Includes **GPS**
- Extensible Design
  - Mount on upper left and right corners.
  - 2D imager
  - Magstripe reader
  - 2.5 hour internal battery
  - 6, 8+ hour with add-on batteries
  - **IP65 and 4ft (1.2m) drop to concrete**

Finger print
